Leading Technology in your School

*What we know now and where
we are going*

Waipuna Hotel, 2 October 2007

Agenda

Purpose: *To support technology curriculum leaders to implement the reviewed technology curriculum in their school*

1. Celebrating our achievements in Technology Education
2. Setting the direction for learning in Technology
3. Programme Design: What you need to know
4. Implications for leading school curriculum development and programme planning
5. TENZ – your professional support association.
6. Close

Where we've been
