

TECHNOLOGY TEACHING RESOURCES FOR ALL STUDENTS

Techlink is a website for all those with an interest in Technology education – teachers, students and parents. Check out Techlink's latest resource – an online Primary School Technology Slideshow. Use it to promote Technology education within your school, in open days and parents' evenings, or link to it in your email newsletters.

Techlink helps promote Technology education through:

- advertorials in well-known magazines
- www.techlink.org.nz/parents
- help and advice for teachers
