

# Investigation – Plan a Test

## Yr 10 Materials - Fashion Statements T.shirt Project

### Complete the following Investigation tasks:

Plan a 'test' to evaluate your final solution against the brief specifications.  
How will you know that your solution was a success?

- Assessment criteria grade 6: The student describes **detailed** methods for appropriate testing to **evaluate** the product / solution against the design specifications.

### Task:

1. Look at your project brief specifications. What do you want to test? What is important to find out?
2. Plan 2-3 tests.
3. Set your tests out as per the chart below.
4. You must carry out and record your test results by the time you have finished printing your actual T.shirt.
5. Test people in your target audience.
